

5th Annual ASQ Innovation Division Conference Program

The Sun Never Sets on Innovation

October 13-15, 2017

LexisNexis

9443 Springboro Pike

Dayton, OH 45342

[Register for the Conference and find hotel information](#)

The global theme for this year's conference is "the sun never sets on innovation". Our conference this year will take one rotation of the Earth with a collaborative global exchange of ideas. Presentations will be coordinated in real time with thought leaders in Asia, Latin America, and the Middle East during the conference. It will be a long day and a very valuable one.

Program sessions will focus on "Innovation Around the World", "Innovating in Virtual Teams", and "Continuous Innovation".

Friday, October 13, 2017

- Conference Check-In Opens at 1pm ET
 - 3:30-5:30 - Innovation Site Tour at the [National Unmanned Aerial Systems \(UAS\) Training and Certification Center, Sinclair College Building 13](#)

Keynote Speaker: Stephen K. Hacker

Stephen Hacker is an author and consultant focusing on leadership and organizational performance. He is engaged with organizations throughout the world, achieving breakthrough performance in today's environment of accelerated change. Among books Stephen has authored are: *Work Miracles*, *The Trust Imperative*, *Transformational Leadership*, *Transformation Fieldbook*, *Leading Peak Performance*, *How to Coach Individuals, Teams and Organizations to Master Transformational Change* and most recently, *The Trust Memory Jogger*. His passions are delivering successful transformational initiatives and coaching leaders, as he has done with many companies, diverse organizations and governments across the globe.

After completing his corporate career as a senior leader with Procter & Gamble, he served as the Executive Director of The Performance Center, a multi-university organization conducting action-research. He is currently CEO and a founding partner of Transformation Systems International, LLC. Stephen has been formally recognized time and again for his dynamic speaking, training, writing and leadership coaching skills. He is an American Society for Quality (ASQ) Past Chair and Fellow, and holder of the R.A. Maass Award for his body of work Customer-Supplier Relationships. Stephen lives in Bend, Oregon with his wife, Marla.

“Transformation is a natural, unrelenting force. It’s time we embraced radical change.”
