## AUDIT AVALANCHE

Presented by:

**ASQ Biomedical Division**

Are you managing the audits of your quality system or have the different types of audits got you buried?  
Are your audits a 'smoking gun'? Are you trending and reacting to the results in a value added way?  
Does your audit program include the new ISO 14971 risk requirements?

Come and benchmark your Audit processes and techniques against those of experts and dig yourself out of the auditing hole. Learn how you can reduce the time to prepare for your audits and maximize your audit experience and reach successful new heights.

**WHEN:** May 28 & 29, 2013

**WHERE:** [Embassy Suites, Logan Airport, Boston \(click\)](#)
