

**AUDIT AVALANCHE**  
October 22 & 23, 2013  
[Hotel Biltmore & Suites](#)  
Santa Clara, CA

Back by popular demand, with even more informative talks than last time!

Are you managing the audits of your quality system or have the different types of audits got you buried? Are your audits a 'smoking gun'? Are you trending and reacting to the results in a value added way? Does your audit program include the new ISO 14971 risk requirements?

Come and benchmark your Audit processes and techniques against those of experts and dig yourself out of the auditing hole. Learn how you can reduce the time to prepare for your audits and maximize your audit experience and reach successful new heights.

This 2 day seminar will provide an update of the current trends and practices associated with auditing from Internal Audits to FDA/Notified Body Audits. Topics Include:

Brazil ANVISA Audits	ISO 14971 & MDD requirements
Clinical Audits	Japan PAL Audits
Combination Product Audits	Management Responsibility &
FDA Inspections	Trending
IEC 60601 Notified Body	Sterilization Services Audits
Inspections.	Supplier Audits
Internal Audits	Computer System Auditing
ISO 13485 and CMDR Audits
