Memorandum

Re: Atlantic Section 1502 HC SIG

From: HCD VOC Chair, Carla Konzel

To: Atlanta Section 1502 Chair, Ruffin Booth and SIG Chair, Hamilton Plaza

Dear Mr. Ruffin Booth,

The American Society of Quality Healthcare Division was delighted to receive the Atlanta Section (1502) submission to form a Healthcare Special Interest Group. This submission included the petition, a completed copy of the G 61.00 appendix A along with preliminary 6 month event schedule.

The Healthcare Division has accepted the petition. The Division does request that Special Interest Group (SIG) Chair, Hamilton Plaza, share the Division's SIG presentation at an upcoming section group meeting. We look forward to supporting the section's initiative and establishing a long term rapport with your section.

Respectfully,

A handwritten signature in cursive script that reads 'Carla Konzel'.
