2016 World Conference on Quality and Improvement

This May, thousands of quality professionals will attend ASQ’s World Conference on Quality and Improvement. The three-day event will run May 16 – 18, 2016, and will feature more than 100 informational sessions, expert speakers and on-site certifications. Visitors will also be able to meet and learn from dozens of exhibitors and sponsors that will crowd the exhibit floor. To help celebrate ASQ’s 70-year commitment to quality, this year’s focus will be on how the industry has grown and where we can go from here. Join us in historic Milwaukee, WI, home to ASQ world headquarters, to discuss—Quality Expanded: In the Profession, Through the Organization, and Around the World. If you can’t attend, this guide provides the information you’ll need to choose the tools and products to meet your goals.

More information can be found at wcqi.asq.org/sponsor-exhibits.html. This year’s conference takes place May 16 – 18 at the Wisconsin Center in Milwaukee.

A special thank you to all of our exhibitors and sponsors!

WHAT’S HOT at AIAG?

NEW! Special Process: Casting System Assessment (CQI-27) & Training now available!

Have You Registered for the 2016 Quality Summit? • September 29 - 30 | Novi, MI
