

2015 WORLD CONFERENCE ON QUALITY AND IMPROVEMENT

TRANSFORMING THE WORLD THROUGH INNOVATION, INSPIRATION, AND LEADERSHIP

May 4 – 6, 2015 | Nashville, TN | wcqi.asq.org

Quality tools and methodologies are available for everyone. But the most successful are those who have found ways to use them to establish, transform, and sustain work environments that foster innovation, shared leadership, and alignment under a common vision.

Discover ways you can use quality to transform your world, reach your goals, and achieve success.

- Learn from more than 100 sessions and workshops.
- Apply quality tools in your personal life with special After 5 Sessions.
- Hear from expert keynote speakers how using quality contributed to their success.
- Connect with other people passionate about quality during networking opportunities.
- Expand your knowledge with additional training and certification opportunities.
- Discover best quality practices from companies throughout the world.

Early-bird pricing available until March 13, 2015!
