

Excellence Through Quality™

Application for Advancement to Senior Member

To advance to Senior member status you must:

- Be an ASQ Professional member in good standing for at least one calendar year prior to the date of application for advancement.
Note: Your Professional membership must be paid for the current membership year before ASQ is able to process your advancement.
- Have 10 years of active professional experience. Up to four years of this vocational requirement may be satisfied by graduation from an accredited college, university, or similar institution.
- Meet one of the following qualifications:
 - a. Have conducted quality-related engineering, inspection, audit, or statistical work, or applied the methods and principles of quality on the job for at least two years.
 - b. Have taught quality or related arts or sciences at an accredited institution for at least two years.
 - c. Have been a Senior member or comparable type in a recognized professional organization.
 - d. Currently hold an ASQ certification that requires recertification.
