April 30 — May 2, 2018 | Seattle, WA

## 2018 CONFERENCE SESSION PRESENTATIONS

[Access Recordings](#)

Your access token is your ASQ customer ID: 6

If you purchased the recordings and need instructions on how to access, [click here to download](#).

The 2018 World Conference on Quality and Improvement concurrent sessions are recorded in multiple formats to ensure you and your organization can take advantage of this great knowledge for years to come! After purchasing the recordings you will have exclusive access to:

- All concurrent session PDFs with multiple viewing options so you can view the presentations at the size you want.
- MP3 audio files of each session to allow you to listen on the go.
- Synched audio and presentation slides that will allow you to skip to the portion of the session that was most applicable to you.
- MP4 videos perfect for mobile and tablet viewing.\*
- Browse the presentations by date, session title, speaker, keyword, and topic to find the information you are looking for easier.
- Look at speaker biographies and pictures to get to know the experts from the conference.

Share the knowledge you experienced at the conference or missed out on with your boss and colleagues.

\*The videos are in the format of a webinar, not a physical video recording of the session.
