THIS WEEK'S MEMBER SPOTLIGHT

Ray Crawford
Senior Member

A member since 1994, Ray's leadership positions include the ASQ Board of Directors. Even after retirement, he volunteers in the Design and Construction Division to give back to the community.

"Quality means using all the necessary tools and latest information on quality for my engineering projects to make them a success. I have used my membership in ASQ to advance my career through the use of the educational opportunities provided by ASQ and its host of expert practitioners. Even though I am retired, my advice to all quality practitioners is to do the same."

MY FAMILY TOLD ME TO STOP TELLING THANKSGIVING JOKES, BUT I SAID I COULDN'T QUIT COLD TURKEY.
