We are pleased to inform you that you have been recertified as a Six Sigma Black Belt. We are enclosing your new certificate, wallet card, a copy of the ASQ Code of Ethics and a recertification journal to document your RU credits.

Technological change is a continual occurrence which erodes the value of professional certification unless the certification is periodically updated. You may choose to recertify by examination or by accumulating the 18 required recertification units, which should be recorded in your Recertification Journal and submitted to your Recertification Chair or Section Examining Committee (SEC), either during the six months prior or after the "Recertify By" date on your wallet card.

We look forward to your continued participation in the Society.

Katherine Harris, Chair
ASQ Certification Board

Brian E. Bowman
