Dear Alicia Dela Cruz:

CONGRATULATIONS! The Certification Board is pleased to announce that you have passed the written examination for the ASQ Certified Six Sigma Green Belt Certificate. You have reached an important milestone in your professional development.

Certification is not a license. It is peer recognition of proficiency in the prescribed body of knowledge. Please refer to your certification in terms which are consistent with the legal requirements found in many states. We recommend that you refer to yourself as an "ASQ Certified Six Sigma Green Belt." It is very important that you associate the Society with your certification.

Enclosed are your certificate and wallet card. Please review this information and call ASQ Headquarters if there are any discrepancies. As a certified individual, the ASQ Code of Ethics should serve as your professional guide.

You can be rightfully proud of your certification as recognition of your professional knowledge by your peers in a professional society. Your name will be given to the Chair of your ASQ section for recognition through the Section.

We look forward to your continued participation in the Society.

Sincerely,

Michael R. Villa, Chair
ASQ Certification Board
