Dear Juan R. Di Costa:

We are pleased to inform you that you have been recertified as an ASQ Six Sigma Black Belt. Enclosed is your new certificate, and ASQ Code of Ethics.

This certification constitutes professional recognition by your peers in a technical society and is not to be confused with professional registration or licensure by the respective states. Please refer to your certification in terms which are consistent with the legal requirements and use of certification in the location in which you reside. We recommend that you refer to yourself as an “ASQ Certified Six Sigma Black Belt". It is very important that you associate the Society with your certification.

Change is a continual occurrence which erodes the value of professional certifications unless the certification is periodically updated. You may choose to recertify by examination or by accumulating the 18 required recertification units. The units should be recorded in your online Recertification journal. You need to recertify every three years, please see the “Recertify by” date on your congratulations letter or your certificate.

If we may be of further assistance to you, please contact the Recertification Coordinator at 414-272-8575 or 800-248-1946.

We look forward to your continued participation in the Society.

Sincerely,

Michael R. Villa, Chair
ASQ Certification Board

Juan R. Di Costa
