Dear Gianfranco Mangiacasale:

CONGRATULATIONS! The Certification Board is pleased to announce that you have passed the written examination for the ASQ Certified Six Sigma Yellow Belt Certification. You have reached an important milestone in your professional development.

Certification is not a license. It is peer recognition of proficiency in the prescribed body of knowledge. Please refer to your certification in terms which are consistent with the legal requirements and use of certification in the location in which you reside. We recommend that you refer to yourself as an “ASQ Certified Six Sigma Yellow Belt." It is very important that you associate the Society with your certification.

Enclosed is your certificate and ASQ Code of Ethics. As a certified individual, the ASQ Code of Ethics should serve as your professional guide. Please review this information and call ASQ Headquarters if there are any discrepancies.

You can be rightfully proud of your certification as recognition of your professional knowledge by your peers in a professional society.

We look forward to your continued participation in the Society.

Sincerely,

Alan M. Bell, Chair
ASQ Certification Board
