CODE OF ETHICS

ASQ requires its members and certification holders to conduct themselves ethically by:

1. Being honest and impartial in serving the public, their employers, customers, and clients.
2. Striving to increase the competence and prestige of the quality profession.
3. Using their knowledge and skill for the enhancement of human welfare.

Members and certification holders are required to observe the tenets set forth below:

Relations With the Public

Article 1 – Hold paramount the safety, health, and welfare of the public in the performance of their professional duties.

Relations With Employers, Customers, and Clients

Article 2 – Perform services only in their areas of competence.

Article 3 – Continue their professional development throughout their careers and provide opportunities for the professional and ethical development of others.

Article 4 – Act in a professional manner in dealings with ASQ staff and each employer, customer, or client.

Article 5 – Act as faithful agents or trustees and avoid conflict of interest and the appearance of conflicts of interest.

Relations With Peers

Article 6 – Build their professional reputation on the merit of their services and not compete unfairly with others.

Article 7 – Ensure that credit for the work of others is given to those to whom it is due.

COMPLIANCE WITH RULES

Please read the ASQ Code of Ethics. Compliance with the Code of Ethics is mandatory for all certified individuals, whether or not they are members of ASQ.

I have read and I understand the ASQ Code of Ethics, and agree to comply with it.

WORK EXPERIENCE

IF YOU DO NOT MEET ALL OF THE NECESSARY QUALIFICATIONS, YOU WILL NOT BE ALLOWED TO TAKE THIS EXAM.

CQA and CQE require EIGHT years of higher education and/or work experience including THREE years in a decision-making position.

CQPA requires TWO years of work experience or an associate's degree or TWO years of equivalent higher education.

CMQ/OE requires 10 years of higher education and/or work experience including FIVE years in a decision-making position.

CSSBB requires TWO completed projects with signed affidavits or ONE project with signed affidavit and THREE years of work experience. No education waivers are given.

CSSGB requires THREE years of work experience and demonstrates his or her knowledge of Six Sigma tools and processes.

All work experience must relate to one or more areas of the body of knowledge of that specific certification.

"DECISION MAKING" is defined as having the authority to define, execute, or control projects/processes and being responsible for the outcome.

The following does **not** apply for the CSSBB or CSSGB. If you have completed a degree, diploma, or certificate program beyond high school, you may waive some of the required experience as follows:

- Certificate/Diploma from a technical or trade school 1 year
- Associate degree (college or technical institute) 2 years
- Bachelor's degree 4 years
- Master's/Doctoral degree 5 years

You must attach a résumé or provide your work experience below; employment dates must be by month/year.
