**Conference History**

The Conference was founded by Anthony Carfagno of ASQ and FDA Atlanta District Director John Turner, to fulfill the compliance training needs of the growing Atlanta District's Pharmaceutical and Device Industries. We commend the continuing support of subsequent District Directors Ballard Graham, Mary Woleske and John Gridley, current Program Co-Chair Rick Perlman and Arrangements Chair Satish Laroia, as well as FDA's Mary Lewis and Barbara Wood and the year's of service of the Mannings, Mitch and LouJean, Matt Lewis and Mike Ferrante.
