

Statistics Division

The Global Voice of Quality™

Vision

The ASQ Statistics Division promotes excellence in the application and evolution of statistics to improve quality and performance.

Mission

The ASQ Statistics Division supports members in fulfilling their professional needs and aspirations in the application of statistics and development of techniques to improve quality and performance.

Products and Services

- [Newsletters](#)
- [Webinars](#)
- [Special Publications](#)
- [Glossary and Tables for Statistical Quality Control](#)
- [Blog on Statistical Thinking](#)
- [Short Courses & Workshops](#)
- [Mentoring Program](#)
- [Narrated Slide Shows](#)
- [Speakers List](#)

Fall Technical Conference

Held annually in October to engage researchers and practitioners in a dialogue that leads to more effective use of statistics to improve quality.

Join, Connect, or Volunteer

ASQ Members may join the division for just \$10 and we are always looking for volunteers to support our mission!

Division Strategies

Address core educational needs of members

- Assess member needs
- Develop a “base-level knowledge of statistics” curriculum
- Promote statistical engineering
- Publish featured articles, special publications, and webinars

Build community and increase awareness by using diverse and effective communications

- Webinars
- Newsletters/Mailings
- Body of Knowledge
- Web site/Blog
- Social Media
- Conference presentations
- Short courses

Foster leadership opportunities throughout our membership and recognize leaders

- Advertise leadership opportunities/ positions
- Invitations to participate in upcoming activities
- Student grants and scholarships
- Awards (e.g. Youdon, Nelson and Hunter)
- Recruit, retain and advance members

Establish and Leverage Alliances

- ASQ Sections and other Divisions
- Non-ASQ Organization (e.g. ASA)
- CQE Certification
- Standards
- Outreach
